SUPPLEMENTAL REISSUE DECLARATION

As below-named inventors, we hereby declare that:

We believe that we are the original, first and joint inventors of the innovative subject matter described and claimed in the application for reissue of U.S. Patent No. 5,450,999, which is entitled "VARIABLE AIR VOLUME ENVIRONMENTAL MANAGEMENT SYSTEM INCLUDING A FUZZY LOGIC CONTROL SYSTEM."

We hereby state that we have reviewed and understand the contents of the above-identified U.S. reissue patent application, INCLUDING BOTH THE ORIGINAL CLAIMS AND SPECIFICATION AND THE NEW CLAIMS PRESENTED IN THE RESPONSE TO OFFICE ACTION, filed on August 23, 1999.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulation, § 1.56(a).

We believe the above-identified original patent 5,450,999 to be partly inoperative, by reason of the patentees claiming less than we had a right to claim. Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicants.

We do not know and do not believe that the claimed invention was ever known or used in the United States of America before my invention thereof.

We do not know and do not believe that the claimed invention was ever patented or described in any printed publication in any country before my invention thereof.

We do not know and do not believe that the claimed invention was ever patented or described in any printed publication in any country more than one year prior to the filing date of the original U.S. application.

We do not know and do not believe that the claimed invention was ever in public use or on sale in the United States of America more than one year prior to the filing date of the original U.S. application.

We hereby direct all correspondence and telephone calls be addressed to:

We hereby claim the benefit of priority, under 35 U.S.C. § 119 and 35 U.S.C. § 120, of any foreign application(s) for patent or inventor's certificate on which priority was claimed in the above-identified issued patent. In particular, we claim the benefit of priority from U.S. Application Serial No. 08/278,616 filed June 21, 1994.

We hereby declare that all statements made of our knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and may also jeopardize the validity of the application or any patent issued thereon.
